

## **Fall 2006 Joint Provider/Surveyor Training Agenda Announced**

The Michigan Department of Community Health, Bureau of Health Systems will host its Fall 2006 Joint Provider/Surveyor Training on Tuesday, October 10, 2006, at the Rock Financial Showplace in Novi, Michigan. Keynote speaker, Dr. Steven P. Levine will discuss medical care from his viewpoint as a patient. Other topics include required reportable issues and clarification of past noncompliance, depression clinical process guidelines, managing difficult behaviors, emergency preparedness, Avian and Pandemic Influenza, and features of fire prevention and safety. In addition, CMS is sending Sharon White to discuss a new initiative to reduce pressure ulcers in nursing homes and to provide training in this area.

**Online registration** is now available through the Michigan Peer Review Organization (MPRO) website at [www.mpro.org/jpst](http://www.mpro.org/jpst).

Contact Maureen Hoey, MPRO Events Planner, at (248) 465-7303 or [mhoey@mpro.org](mailto:mhoey@mpro.org) for further questions.
